

Introducing 1300 ATL 247

In partnership with Claims Central we have introduced a 24 Hour Claims Hotline for Transport Operators.

Policy holders and brokers can use our hotline to notify us of claims at any time of the day. From the 23rd September 2019, simply call 1300 285 247 at any-time so we can arrange:

- Vehicle Recovery by a preferred provider
- Accident scene clean up
- Towing of vehicles to preferred repairers
- Repatriation of injured drivers

...and all of this can be done without the need for a claim form when notified via our hotline.
